COUNCIL – 11 NOVEMBER 2015

TABLED AMENDMENT - Agenda Item 7 – District Plan - Focused Amendments Public Consultation

Following further consideration, the changes highlighted in red font below are recommended to new Policy DP24A: Housing Density.

DP24A: Housing Density

In order to make efficient use of land, residential development must provide for net residential densities of at least:

- ~~70 dwellings per hectare in and close to the centres of Burgess Hill, East Grinstead and Haywards Heath;~~
- 50 dwellings per hectare within the **remaining** built up area boundaries of Burgess Hill, East Grinstead and Haywards Heath;
- *Rest of policy as per Agenda Papers*
