RESOLVED

That Councillors Henwood, Knight, Marsh, Mockford and Wood be elected to the Licensing Sub-Committee A for the 2023/24 Council year.

6. REQUEST FOR INCREASE IN HACKNEY CARRIAGE FARES 2023.

Jon Bryant, Senior Licensing Officer introduced the report which asked the Committee to annually review the Hackney Carriage fares. He highlighted that at the meeting of the Licensing Committee on 28th June 2022 it was agreed that a rolling year on year review should be considered by the Committee. The rate of inflation would be used for any proposed increase followed by a statutory consultation with the trade and the public. When reviewing the tariff card, the Committee must consider community safety to ensure the availability of sufficient licenced taxis. A low tariff could reduce the income for taxi drivers and reduce the availability of taxis, whilst a higher charge could impact the health and wellbeing of vulnerable groups, the elderly and disabled. He noted that the Council has no power to set fares charged by Private Hire Vehicles.

Members discussed the impact of previously high fuel costs on the current tariff card and when the night-time tariff is charged.

The Senior Licensing Officer confirmed the previously high fuel costs have now dropped and the additional fee is no longer charged. He confirmed that councils in East and West Sussex have a night-time tariff, in Mid Sussex this tariff has always started at midnight.

As there were no further questions the Chairman took the Members to a vote on recommendations A and B, which was approved with 9 votes in favour and 1 abstention.

RESOLVED

That the Committee do not introduce an annual review of the Hackney Carriage Tariff but will review on request by the trade, with no variation to the tariff this year.

7. QUESTIONS PURSUANT TO COUNCIL PROCEDURE RULE 10.2 DUE NOTICE OF WHICH HAS BEEN GIVEN.

None.

RENEWAL OF POLICY ON LICENSING OF SEX ESTABLISHMENTS

REPORT OF: DEPUTY CHIEF EXECUTIVE
Contact Officer: Lucy Corrie, Assistant Director, Communities
lucy.corrie@midsussex.gov.uk
Jon Bryant, Senior Licensing Officer
jon.bryant@midsussex.gov.uk
Wards Affected: All
Key Decision: No
Report To: Licensing Committee
20 February 2024

Purpose of Report

1. To seek the Committee's views on the Draft Policy for Licensing of Sex Establishments (Appendix 1) before it is considered by the Scrutiny Committee for People and Communities. Following consideration by the Scrutiny Committee for People and Communities the Council will carry out public consultation on the draft Policy. Subject to the outcome of the consultation the Policy will be considered by the Council.

Summary

2. The Council's existing policy on the licensing of sex establishments came into effect on 1 September 2010. It was subsequently reviewed in 2013, 2016 and 2019. Good practice suggests that the Policy is regularly reviewed.

Recommendation

3. **The Committee are recommended to endorse the Policy on Licensing of Sex Establishments at Appendix 1 for consideration by the Scrutiny Committee for People and Communities.**
-

Background

4. The Council's policy on the licensing of sex establishments came into effect on 1 September 2010. It was subsequently reviewed in 2013, 2016 and 2019. Good practice suggests that the policy is regularly reviewed.
5. The policy enables the Council to regulate and control applications for:
 - sexual entertainment venues
 - sex cinemas
 - sex shopsas defined in the Local Government (Miscellaneous Provisions) Act 1982.
6. There are currently no such establishments in Mid Sussex.
7. The Act allows local authorities to place a limit on the number of the Sex Establishment Venues it will licence. The Council's current Policy states the number of sex establishment venues it will licence is zero. The zero policy on sex entertainment venues does not prevent applications being made to the Council for such licences. Any applications must be considered by the Licensing Committee in accordance with the principles and guidelines contained in the Policy. To date, the Council has never received an application for a sex establishment.

8. Since the Policy was approved there has been no legislative changes that affect the policy. Officers have reviewed the current policy to ensure it provides clear guidance to future applicants and consider it remains fit for purpose.
9. Whilst there is no statutory requirement for a Policy, it is considered good practice to implement a policy as it informs applicants and the Council regarding decision making. The current review period in the existing Policy is five years. This period is in line with similar policy review periods, such as those under the Licensing Act 2003.
10. In the event of there being legislative changes, or developments in case law, that could materially impact the policy it will be reviewed and updated as required.

Next Steps

11. If the Licensing Committee approve the recommended Policy, this will be scrutinised by the People and Communities Scrutiny Committee. After this, public consultation on the policy will take place for 6 to 8 weeks. If there are any significant suggested changes, the policy will go back to scrutiny for further examination. Finally, the policy is agreed and adopted by Full Council.

Policy Context

12. Having appropriate controls around licensed sex establishments contributes to the Council's aim 'To be an effective council delivering value for money services and helping to create a strong economy, environment and community'.

Other Options Considered

13. The Council could consider having a less restrictive policy if such establishments were thought to be beneficial to the District.

Financial Implications

14. None.

Risk implications

15. None.

Equality and Customer Service implications

16. No equality implications have been identified. The policy aims to give customers, i.e., those seeking a licence for a sex establishment, clear guidance on what is required, whilst protecting the public.

Sustainability Implications

17. None for the purposes of this report.

Background Papers

1. INTRODUCTION

This document is Mid Sussex District Council's policy (The Policy) concerning the regulation of and procedures relating to applications for:

- sexual entertainment venues
- sex cinemas
- sex shops

Hereinafter referred to as Sex Establishments as defined in the Local Government (Miscellaneous Provisions) Act 1982, as amended by the Policing and Crime Act 2009.

The policy will take effect from (Date)

On 6 April 2010, Section 27 of the Policing and Crime Act 2009 amended the Local Government (Miscellaneous Provisions) Act 1982. It reclassified lap-dancing clubs as sexual entertainment venues and gives local authorities the power to regulate them as sex establishments.

Mid Sussex District Council adopted the new powers on 21 April 2010.

This Policy is published in accordance with the provisions of the Policing and Crime Act 2009. The Policy will be reviewed every five years and any revisions made to the Policy will be considered appropriate to ensure the statutory objectives of the Act are being met.

Attached to the Policy are several documents. These documents relate to Standard Conditions and form part of the Policy.

The forms relating to applications and Licensing Hearings are provided to assist applicants and may be amended at any time without revision of the Licensing Policy.

Mid Sussex District Council's (the Council) statement of main purpose is:

'To be an effective Council delivering value for money services and helping to create a strong economy, environment and community.'

The Licensing service is a key Council service, contributing to the Council's corporate priorities.

2. GENERAL POLICY

2.1. Determining Applications

The Council has determined that the following principles will apply.

Applicants must address this Policy for any grant of an application to be considered.

The Council can set the number of sex establishment licences it grants in a relevant locality.

An application for a licence can be refused if the Council considers that the number of sex establishments they consider appropriate in a relevant locality would be exceeded by the grant.

The term 'relevant locality' is not defined in the Act.

The Council has decided to identify areas in which they do not consider the granting of a Sex Establishment Licence to be appropriate.

Mid Sussex District Council covers an area which includes urban and rural communities.

2.2. East Grinstead, Haywards Heath, Burgess Hill

The three main towns, East Grinstead, Haywards Heath, and Burgess Hill have busy and diverse shopping centres laid out as traditional 'High Streets', incorporating a mixture of national and independent traders. Included in these trading outlets are many pubs, restaurants, cafes, and takeaway outlets. There are community facilities in the form of libraries, community centres, schools, and places of worship. There are several residential units within the town centres themselves, many above and adjoining retail units. Bordering these 'High Streets' are large residential areas. Access is equally viable on foot, public or private transport. Accordingly, the footfall covers all age groups.

The Council considers the association that sex establishments have with the 'sex industry' and adult entertainment means that they are not suitable for these relevant localities in East Grinstead, Haywards Heath, or Burgess Hill.

2.3. Villages and Rural Areas

Throughout the District are several smaller towns, villages, and rural communities. Many of these have smaller shopping areas. The Council has identified the following areas:

- Ansty *
- Ardingly
- Ashurst Wood
- Balcombe
- Bolney
- Bolnere Village
- Copthorne
- Crawley Down
- Cuckfield
- Felbridge
- Fulking
- Handcross
- Hassocks
- Horsted Keynes
- Hurstpierpoint
- Keymer
- Lindfield
- Newtimber
- Poynings

- Pyecombe
- Sayers Common *
- Scaynes Hill
- Sharpthorne
- Turners Hill
- Warninglid *
- West Hoathly
- Whitemans Green

These areas are significantly quieter as they are more rural than the three main towns previously identified. These areas all have pubs, restaurants, and take away outlets. They are not therefore immune to entertainment venues. They too have residential areas bordering the main shopping street together with residential accommodation above and adjoining retail units. The footfall in these quieter areas still covers all age groups.

The Council recognises that the areas marked * do not have a traditional retail area. However, they do have significant customer outlets so that they should be included in this category.

The Council considers the association that sex establishments have with the 'sex industry' and adult entertainment means that they are not suitable for these relevant localities.

There are several rural localities within the district that have small residential communities and businesses. These include agricultural businesses, businesses run from rented accommodation in farms and in some cases small, low-key, industrial units.

These communities have chosen to live and or work from these locations because of its tranquillity. Many of these areas are designated as Areas of Outstanding Natural Beauty. The Council wishes to maintain these standards both for residents and businesses in the area and for visitors to enjoy the countryside.

The areas are too numerous to list due to the size of the District.

The Council considers the association that sex establishments have with the 'sex industry' and adult entertainment means that they are not suitable for these relevant localities.

2.4. Business Parks and Industrial Estates

There are 25 Business Parks/Industrial Estates within the District.

- Borers Arms Yard, Copthorne
- Barns Court, Copthorne
- Felbridge Centre, East Grinstead
- Birches Industrial Estate, East Grinstead
- Independent Business Park, East Grinstead
- Imberhome Industrial Estate, East Grinstead
- Wellington Town Road, East Grinstead
- Charlwoods Road Industrial Estate, East Grinstead
- Ivy Dene Lane, Ashurstwood

- Rowfant Business Centre, Rowfant
- Horsted Keynes Industrial Park, Cinder Hill, Horsted Keynes
- Burrell Road Business Park, Haywards Heath
- Bridge Road Business Park, Haywards Heath
- Western Road Industrial Estate, Haywards Heath
- Lindfield Enterprise Park, Lewes Road, Lindfield
- Sheddingdean Industrial Estate, Burgess Hill
- Victoria Industrial Estate, Burgess Hill
- Bolney Grange Industrial Estate, Stairbridge Lane, Bolney
- King Business Centre, Sayers Common.
- Mill Green Business Estate, Haywards Heath
- The Hub, Burgess Hill
- Midpoint 23, Brighton Road, Pease Pottage
- The Pavilions, Brighton Road, Pease Pottage
- Panattoni Park, Burgess Hill
- Link 23, Nursey Lane, Warninglid

The size of these business parks varies, but they consist of anything from warehouses, retail outlets and distribution centres to car repair units.

The hours of operation are generally early morning to early evening.

The nature of this District is such that these are not sprawling areas. They are all bounded by residential streets. Whilst it is accepted that the business park themselves have no residences, consideration must be given to the business communities therein.

The siting of a sex establishment within the confines of such an area may give rise to concerns.

The issue of late-night opening is a factor that must be considered. The area is likely to be ordinarily quiet after business hours in the retail area. Customers frequenting Sex Establishments may be vulnerable in these areas, particularly after dark. There is also the question of increased footfall during quiet times and the inherent risk of opportunist and organised crime against the business units.

The Council acknowledges that a Sex Establishment Venue in a business/industrial area does not carry the same risk to vulnerable groups as a residential or retail area. However, it does conclude a different type of crime risk, due to the isolation of the operation and the subsequent risk to established business reputations and physical loss through crime.

The Council considers the association that sex establishments have with the 'sex industry' and adult entertainment means that they are not suitable for the relevant localities of the Business Parks and Industrial Estates.

2.5. Consultations, Representations and Decision-making

The Council, in determining applications, will:

- Consider each application on its merits.
- Consider all relevant representations.

- Make enquiries as it deems appropriate, including an interview with the prospective licensee, to ascertain the suitability of the style of operation and the applicant.
- Notify the following bodies about the application and invite representations:
 - Mid Sussex District Council's Environmental Protection Team.
 - Mid Sussex District Council's Development Management Section.
 - Mid Sussex District Council's Elected Ward Members.
 - Haywards Heath, Burgess Hill, and East Grinstead Town Councils.
 - Parish Councils within the District.
 - Any other person or body deemed appropriate to the application by the Council.
- Have regard for the Statement of Policy objectives.

Sussex Police is a Statutory Consultee within the terms of the Act. The applicant must supply a copy of the application to them within 7 days of the original submission to the Council.

2.6. Representations

Any person in the relevant location may make a representation about an application.

Representations, including the name and full postal address of the person concerned, must be submitted in writing to the Licensing Officer before the expiry of the 28-day consultation period.

The Council will weigh up and balance the interests of the applicant with those of the local community in reaching a decision on a licence application. Representations made before the application is submitted can be considered.

The Council also has discretion to consider representations made after the 28-day consultation period, although this will be assessed on a case-by-case basis.

The legislation dictates that, unless a person making representations consents, their name and address shall not be revealed to the applicant.

The grounds for any objection made on the application must be provided to the applicant prior to the determination of the application.

The report to the Licensing Sub-Committee may have full details of the objections, including any actions / undertakings proposed by the applicant to address matters raised.

The Council, in determining applications, will also consider the following factors:

- a) the proximity of residents to the premises, including any sheltered housing and accommodation for vulnerable persons,
- b) the proximity of educational establishments to the premises,
- c) the proximity of places of worship to the premises,
- d) access routes to and from schools, play areas, nurseries, children's centres, or similar premises,
- e) the proximity to shopping centres,
- f) the proximity to community facilities / halls and public buildings such as swimming pools, leisure centres, public parks, youth centres / clubs (this list is not exhaustive),
- g) the potential impact of the licensed activity on crime and disorder and public nuisance,
- h) the potential cumulative impact of licensed premises in the area taking into account the days and hours of operation of the activity and the character of the locality where the premises are situated,
- i) the nature and concerns of any objections received from residents / establishments objecting to the licence application,
- j) any evidence of complaints about noise and/or disturbance caused by the premises,
- k) current planning permission/planning requirements on the premises,
- l) any current planning policy considerations,
- m) proximity of other sex establishments,
- n) whether there is planned regeneration of the area,
- o) any current licensing permissions related to the premises in relation to activities, uses, and hours,
- p) comments/observations of the Police and Council personnel, including compliance with licensing conditions, relevant history (including noise complaints) together with details of previous convictions/prosecutions pending,
- q) the suitability and fitness of an applicant to hold a licence.

2.7. Suitability and Fitness of applicant

In determining suitability for a licence, the Council shall normally consider:

- a) The operator's honesty.
- b) The operator's qualifications by experience to run the type of sex establishment in question.
- c) The operator's understanding of the general conditions.
- d) The operator's proposed management structure and whether it will deliver compliance with operating conditions, e.g., through:
 - Managerial competence.
 - Presence.
 - A credible management structure.
 - Enforcement of rules internally e.g., through training and monitoring.
 - A viable business plan e.g., sufficient to employ door staff and install CCTV.
 - Policies for welfare of performers.
- e) That the operator can be relied upon to act in the best interests of the performers, e.g., in how they are remunerated, the facilities they enjoy, how they are protected and how and by whom their physical and psychological welfare is monitored.
- f) That the operator can be relied upon to protect the public e.g., through transparent charging and freedom from solicitation.
- g) That the operator can show a track record of management of compliant premises or that he/she will employ individuals who have such a track record.

The above factors are not an exhaustive list of considerations but are indicative of the types of factors which will be considered in dealing with an application.

The Council shall not normally grant a licence to operate as a sex establishment if the character of the surrounding area to the proposed licensed premises is such that granting a licence is considered inappropriate.

A Licensing Sub-Committee shall determine all applications for new licences for sex establishments.

2.8. Refusal of a Licence

Specific mandatory grounds for refusal of a licence are set out in the Act.

A licence cannot be granted:

- a) to anyone under 18 years of age
- b) to someone who has held a licence that was revoked in the last 12 months (from the date of revocation)
- c) to someone who has been refused a new or renewal of licence within the last 12 months (from the date of making the application)
- d) to an individual who is not resident in the United Kingdom or has not been resident for six months prior to the making of an application
- e) to a company not incorporated in the United Kingdom

The Council may also refuse a licence if:

- a) the applicant is unsuitable to hold a licence because they have been convicted of an offence or for any other reason
- b) were the licence to be granted, renewed, or transferred, the business to which it relates would be managed or carried on for the benefit of a person other than the applicant, who would have been refused a licence if they had applied themselves
- c) the number of sex establishments or sex establishments of a particular kind in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality (see Sections 2.1- 2.4)
- d) the grant or renewal of licence would be inappropriate having regard to:
 - the character of the relevant locality
 - the use to which any premises in the vicinity are put; or
 - the layout, character, or condition of the premises, vehicle, vessel, or stall in respect of which the application is made.

2.9. Renewal Applications

Where a licence was in existence before the introduction of this Policy, this Policy will become a consideration when the licence is due for renewal.

When considering a renewal application, the Council may consider the criteria set out at Section 2.6 paragraphs (a) – (q) and Section 2.8 above.

- a) the type of activity to which the application relates
- b) the duration of the proposed licence
- c) the days and hours of operation of the activity

- d) the layout and condition of the premises
- e) the use to which other premises in the vicinity are put
- f) the character of the locality in which the proposed premises are situated
- g) the levels of crime and disorder in the area
- h) past demonstrable adverse impact from the activity
- i) whether appropriate measures have been agreed and put into effect by the applicant to mitigate any adverse impacts

It should be noted that the Council in applying its decision-making discretion may consider it appropriate to refuse the renewal of the licence even where there has been no change in the character of the relevant locality or in the use to which any premises in the locality are put.

A Licensing Sub-Committee shall determine all applications for renewal of licences for sex establishments.

2.10. Variation Applications

Where an application is made to vary any of the terms and conditions of an existing licence, whether on renewal or not, the Council will consider the criteria as set out in Section 2.6 paragraphs (a) – (q) and Sections 2.7 and 2.8 above.

A Licensing Sub-Committee shall determine all applications to vary existing licences for sex establishments.

2.11. Transfers

Applications to transfer a licence will be determined by a Licensing Sub-Committee.

The Council will make such enquiries as it deems appropriate, including an interview with the prospective licensee, to ascertain the suitability of the style of operation and the applicant.

3. THE APPLICATION PROCESS

3.1. Making an application

Applications should be made in writing on the Council approved form to the Licensing Officer, Mid Sussex District Council.

The form must be accompanied by the following:

- a) Five sets of floor plans, drawn to scale and showing all means of entry and exit, any parts used in common with any other building and indicating how the premises lie in relation to the street.
- b) Five sets of plans showing the existing and front elevation of the premises depicting all signage.
- c) Five sets of plans (scale 1:500) showing the sex establishment in relation to other premises within 100 metres.
- d) Five sets of plans (scale 1:50) showing the layout of the sex establishment.
- e) The correct fee as set by the Council.

A copy of the application and supporting documents must also be sent to the Chief Officer, Sussex Police within 7 days of submission to the Council.

There will be a consultation period for 28 days starting the day after the Licensing Authority receives the application.

Applicants are required to post an A3 notice at the proposed site for 21 days from the date the application is lodged with the Council, setting out the application details. Guidance on these Notices is available from the Licensing Officer. The notice must be posted in a prominent position for the whole of that time and be easily read by passers-by.

Applicants are also required to place a public notice in a newspaper that is ordinarily available in the area in which the premises is situated. A specimen advertisement is available from the Licensing Officer. The newspaper notice should appear in the publication within 7 days of the application being lodged.

Applications must be placed in the newspaper relevant to the area in which the premises is situated. In cases of doubt, advice must be sought from the Licensing Team.

The Mid Sussex District Council area has full newspaper coverage by two weekly publications:

- A. The Mid Sussex Times (covers the south of the District including Haywards Heath and Burgess Hill).
- B. East Grinstead Courier (covers the north of the District including East Grinstead).

The Licensing Authority considers that as newspapers cover the entirety of the District, adverts will be placed with either of the above publications. It will not accept adverts placed in any other publication.

Applicants are told that any person who, in connection with an application for the grant renewal or transfer of a licence, makes a statement which s/he knows to be false in any material respect, or which s/he does not believe to be true, is guilty of an offence and liable to summary conviction to a fine not exceeding £20,000.

Any licence approved by the Council does not constitute any approval under other Acts (e.g., the Town and Country Planning Act 1990) or Byelaws. The applicant must ensure that all other necessary consents and approvals are obtained prior to operation.

The Council will not determine an application for grant of a licence unless the applicant allows an authorised officer a reasonable opportunity to enter the proposed sex establishment to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

3.2. Renewal of Licence

Licences are issued for any period subject to a maximum of 12 months.

Applications to renew licences must be submitted together with the appropriate fee at least 28 working days before expiry. Applications for renewal of licences are subject to the site and newspaper notice requirements set out above.

A copy of the renewal application and supporting documents must also be sent to the Chief Officer, Sussex Police at the same time of submission to the Council.

The Council will consult those it deems appropriate before determining the renewal (see Section 2.5).

Applicants are required to post an A3 notice at the proposed site for 21 days from the date the application is lodged with the Council, setting out the application details. Guidance on these notices is available from the Licensing Officer. The notice must be posted in a prominent position for the whole of that time and be easily read by passers-by.

There will be a consultation period for 28 days starting the day after the Licensing Authority receives the application.

A Licensing Sub-Committee shall determine all renewal applications. A Licensing Hearing to determine renewals can be held beyond the expiry date of a Licence. Under no circumstances will this be later than 35 working days after the scheduled expiry date. Licences will be valid until such determination.

3.3. Variation of Licence

The application form, with relevant plans and fee, should be sent to the Licensing Officer. Applications for variations of licence are subject to the site and newspaper notice requirements set out above.

The Council will consult those it deems appropriate before determining the variation (see Section 2.5).

Variation applications relate only to proposed changes to such matters as the hours and area of the premises covered by the licence. Any changes in Licensee must be the subject of a transfer application.

Applicants are required to post an A3 notice at the proposed site for 21 days from the date the application is lodged with the Council, setting out the application details. Guidance on these notices is available from the Licensing Officer. The notice must be posted in a prominent position for the whole of that time and be easily read by passers-by.

There will be a consultation period for 28 days starting the day after the Licensing Authority receives the application.

All variation applications for sex establishment licences will be referred to a Licensing Sub-Committee for determination. Applicants must not operate any revised or varied arrangements until such an application has been approved and any revised or varied licence has been issued.

3.4. Transfer of Licence

Applications to transfer a licence will be determined by a Licensing Sub-Committee.

The Council will make such enquiries as it deems appropriate, including an interview with the prospective licensee to ascertain the suitability of the style of operation and the applicant (see Section 2.7).

3.5. Hearings to determine applications

Any application requiring a determination by a Licensing Sub-Committee will be heard in public on a date to be published by the Council.

A hearing to determine applications for new, renewal of existing, variation to an existing, or transfer of an existing licence will take place within 30 working days from the day after the consultation period ends.

The Council will publish a determination before the end of 5 working days starting the day after the last day of the hearing.

The applicant and any persons who made relevant representations will have the opportunity to attend the hearing and address the Committee.

The Licensing Sub Committee, having heard all relevant evidence will determine the application. This decision does not have to be made at the hearing.

If a decision is delayed as above, the Licensing Sub Committee will inform all parties present at the hearing of the decision date.

On the grant of a licence, the licence document will have the agreed days and hours of operation set out, together with any other specific and/or standard conditions applied. Licence holders must comply with this.

The procedure for a Licensing Committee to determine all applications relevant to this policy is appended at Appendix H.

3.6. Licence Conditions

The Council will impose standard conditions with the grant of a Sex Establishment Licence.

The Council may also impose further conditions depending upon the individual circumstances of each premises.

The Standard Conditions are attached at Appendices B, C and D.

Fees will be reviewed annually.

- in the case of a man: exposure of his pubic area, genitals or anus
