The Policy Statement sets out the help that is available through the council, schools, colleges and transport operators for young people of sixth-form age and those who are 19+ with an Education Health and Care Plan to get to school or college.

A consultation is now open and available [online here](#) and runs until Sunday 16 April 2023. All responses will be considered before the council's Post-16 Transport Policy statement is published at the end of May.
