Learning Pool Switch-Over

As of 3 April 2023, the Council will switch to a new e-learning platform called MetaCompliance and will cease using Learning Pool. MetaCompliance provides a better learning experience and integration with Office 365 to allow for easier access to your courses. All previous courses have been uploaded to MetaCompliance so all historical learning will not be lost. You will be able to access MetaCompliance using your MSDC email log-in details however please look out for further emails providing more information following this bulletin.
