

**END OF GRANT REPORTS 2017-2018
COMMUNITY & ECONOMIC DEVELOPMENT GRANTS**

APPENDIX D

Organisation	Award	Original purpose of grant	How the grant was used	How has the grant benefited residents of Mid Sussex	How many people in Mid Sussex have been given assistance as a result of the grant	Other sources of funding received for the project in the financial year 2016/17
172 Squadron Air Training Corps	£2,500	To enable the Squadron to purchase and house 2x Eurofighter Typhoon based flight simulators.	We have used the grant to assist us in the purchase of the two simulators.	We now have over 70 cadets on role which are all from the Mid Sussex area. All current and future cadets have access to the flight simulators which are being adapted to enable the cadets to be taught in a Grobe Tutor. We have had two Civilian Instructors join the Squadron which are both pilots and able to teach the cadets the basics of a Private Pilot's Licence course.	At the Squadron currently over 70 cadets but future cadets will also benefit. We hold twice yearly recruitment events which are very successful. More broadly we have made contact with a local Scout group to assist them with their 'flying' awards. They have been invited to use the simulators.	All other funding was raised by the Civilian Committee through fundraising events at our Squadron Annual Dinner, Lindfield Village and Haywards Heath Day.
Age UK East Grinstead and District	£3,500	Recruitment , training and support of volunteers to deliver the Village Agent Project.	To cover the costs of recruiting and supporting the volunteers involved in the Outreach Service. The service involves liaison with a range of organisations, statutory, non-government organisations and community groups. These include Parish Clerks, Alzheimer's Society, Churches, Care Coordinators in surgeries, Mid Sussex Well Being Team, Mid Sussex Older People's Council, assisted living accommodation,	Residents have requested information on the following subjects: exercise classes, befriending services, benefits, IT classes, personal alarms, social groups, transport to GP or hospital appointments, walking groups, writing wills, taxi vouchers and accessing advice. We support people with information enquiries and provide details of organisations who can help and contact details for the relevant service. Many people are isolated as they are bereaved, have poor health or no longer drive, so have difficulty accessing transport. Some individuals have attended Age UK activities as a result of the	A total of 279 people have been assisted as follows: 120 people attended Talks – 7 Talks delivered; 64 people attended social events and outings - 11 events delivered (some attended more than 1 event); 50 people attended a Falls prevention event - a talk and chair exercise session; 40 people received phone support; 5 benefitted from a home visit.	Age UK £5,300 The February Foundation £2500 The Albert Hunt Trust £3000 East Grinstead Town Council £200 A total of £11,000 from organisations.

			<p>Cruse, Resident Associations, Luncheon Groups and local Support Groups such as Cake & Company and Open Door. The Coordinator has found linking in with existing groups an effective way of establishing a presence in the rural community. The Coordinator has delivered talks to local groups about support services available, supported individuals on the phone and provided home visits to isolated individuals with poor health. We have assisted community members in the following rural areas: Ashurst Wood, Copthorne, Crawley Down, Sharpthorne, Turners Hill, West Hoathly and Worth. Four volunteers, have assisted on the Outreach Service, which has been sufficient for service needs and so we have not recruited any more volunteers to date. Volunteers have assisted at local talks and on home visits.</p>	<p>Outreach work.</p>	<p>The breakdown of those assisted by area is as follows: Ashurst Wood 25, Copthorne 25, Crawley Down 70, Sharpthorne 15, Turners Hill 40, West Hoathly 10, Worth 15, East Grinstead 25 (the remaining 54 are unknown). 60% of the above group, that we have details for, have gone onto use other services such as IT classes, join a social group, take part in an activity. Some data is unavailable, e.g. the Falls Prevention session was delivered on 22 October 2018 it is not yet known how many will go onto take up an activity. 25% of people would not provide their details. 15% of the group have not completed further activities.</p>	
Age UK East Grinstead	£1,872	To pay for an automatic defibrillator and its case for	The defibrillator and case have been purchased and installed outside the Activity Centre. An 'opening	Most of our 300-plus members are in the at-risk age group for heart problems, so this will benefit them if any are suffered. It gives a similar benefit to residents in the area on a	None yet, but it is impossible to predict when a 'heart emergency' will arise. With over 300 members	The grant paid in full for purchase, but not installation. The cost of installation

		installation outside our Activity Centre at Swan Mead, as a public resource open to all.	event' was attended by Councillors.	24/7 basis, unlike some other nearby 'publicly accessible' defibrilators which cannot be accessed outside business hours.	in the at-risk category, statistics for West Sussex indicate use several times each year.	was met by a private donation for that specific purpose.
Albourne Parish Council	£5,000	To enhance the children's playground area of Albourne Recreation Ground by providing a new state of the art climbing frame.	To put towards the costs of acquiring, and installing a new climbing frame in the playground.	It has helped to provide a new and better play facility for the children of Albourne (and visitors from elsewhere) for leisure and recreation activity, and to make the area more attractive in terms of play facilities for parents and children to visit.	Difficult to say as the project has not been specifically targeted, but many residents/ children of Albourne, other children from the nearby School, and any visitors to Albourne will benefit from having decent and proper play facilities for their young children.	The Parish Council received two private donations towards the project totalling £571, and is putting in £2,000 of its own money for the equipment.
Ardingly Parish Council	£5,000	Zip Wire at Ardingly recreation ground	We have used our grant to contribute to the installation of a brand new wooden framed zip wire for the Ardingly Recreation Ground.	Residents and visitors to the village from other areas of Mid Sussex now have a wide variety of play equipment of all ages in the Recreation Ground to use. The equipment is ideal for older children to use which makes the play area well equipped for a wide variety of age groups. The equipment is free to use and therefore is open to everyone to use and encourages outside activities which is particularly important in the day and age of modern technology and the equipment encourages social interaction as well as physical activity.	It is difficult to ascertain the figures, but we would estimate that several hundred young people would have used the equipment during the time it has been installed which was in July 2018.	The total project cost £10,219 plus VAT and the Parish Council provided the balance of £5,219 from general reserves to fund this equipment.
Ardingly Parish Council	£1,500	Refurbishment of public conveniences at	The project has been delayed and no funds have been drawn down as yet, but it is expected to			

		Ardingly Recreation Ground	be complete by March 2019.			
Balcombe Cricket Club	£5,000	To extend Balcombe Cricket Club pavilion, with 2 extra wings to incorporate new changing rooms and extended social areas.	The grant was put towards the extension of the cricket pavilion.	The cricket club are now offering better and more changing facilities, as well as increasing the social side of the cricket club through the extended pavilion. We are also able to make it available to hire now that it has increased in size.	We have about 150 members who have directly had an improved service from BCC. It also increases the cricketing experience for away teams who come to Balcombe. The pavilion has been hired for a few social events so it has improved the cricketing experience for many people.	Balcombe Parish Council - £2,500 Other donations - £750
Burgess Hill Community Radio	£4,996	To fund the purchase and installation of the infrastructure and equipment necessary to create a new radio studio facility.	Purchase of new equipment including microphones, microphone stands, headphones, an internal telephone system, a burglar alarm system, two computers (one for the studio playout system and the other for presenters to access the internet for traffic news, weather and suchlike). We have also purchased soundproofing materials, a computer rack, monitors and cabling as necessary, an ethernet network hub and an uninterruptible power supply to protect against power cuts. As we were fortunate to secure additional	Residents of Mid Sussex are now able to hear a more professional sounding community radio station which aims to promote local events and organisations as outlined in our grant application. We also aim to train people to become presenters and the new studio has turned this aim into a reality. We have a waiting list of presenters for training with an age range of 17 to 70.	Difficult figure to quantify as our service is available to the whole of Mid Sussex but we are unable to measure the number of people who have had assistance. Our service offers intangible benefits such as awareness of local events, local news, the existence of local groups and organisations which in turn may offer support to residents.	We have raised the sum of £6277 in sponsorship and sales of advertising. We have had a donation from Burgess Hill District Lions of £1000 and private donations from residents of £150. Shortfalls in our income have been supported by Directors' personal funds.

			<p>discounts from that which we were first offered when costing the project, and in the case of the burglar alarm system we were given installation free of charge, we had a small amount left over.</p> <p>Following a request to MSDC we were given authority to purchase additional items not on the original grant equipment list but which were for the same purpose as the grant application, provided we did not go over the original grant amount. This amount part funded the cost of the encoding equipment required to send the output of the studio to the transmitter.</p>			
Burgess Hill Town Council	£4,500	Zip wire; outdoor cinema; escape room	Escape room to be rebooked as this event was cancelled as the escape room was damaged – project extended to early 2019.			
The Conservation Volunteers	£2,500	Green Gym project	16 Green Gym sessions were arranged, working across 5 Local Nature Reserves (LNR). The work was set by the MSDC Contracts Team. At the Ashenground & Bolnore Woods LNR an overgrown pond of reed, bulrush, bramble and trees were cleared and	The grant has allowed work to improve the greenspaces of the district to happen that would not otherwise have been undertaken, making the Local Nature Reserves better for all the visitors. The Green Gym sessions run have also helped improve the health of the participants the importance of social interaction, inclusion and community participation	Indirectly all visitors and local residents will have benefited from the improvements the Green Gym volunteers made to the Local Nature Reserves. Directly, 9 participants took part. Part of the issue with low volunteer numbers can be	N/A

			<p>channels dug through the silt to increase the water flow - 4 sessions. At Eastern Road LNR the volunteers felled trees on the edge & in a pond also removing branches & trees from the water - 6 sessions.</p> <p>The Green Gym cleared an overgrown footpath, clearing bramble, felling trees and cutting back holly to allow more light through to help dry the muddy path and create better sight lines to discourage anti-social behaviour at Scrase Valley LNR - 3 sessions.</p> <p>10 black sacks of litter cleared from Blunts Wood & Paige's Meadow LNR - 2 sessions.</p> <p>On the Burgess Hill Green Circle path, over hanging vegetation was cut back and litter cleared - 1 session.</p>	<p>is widely recognised as being good for people's health and psychological well-being. Green Gym participants will have achieved their minimum amount of weekly physical exercise.</p>	<p>attributed to the project only receiving 50% of the originally planned funding, which meant that the days envisaged for community engagement were cut as it was deemed a greater priority to complete the identified work. All the tasks set were completed.</p>	
<p>Creatives Across Sussex</p>	<p>£4,900</p>	<p>A pilot event to function as an interactive consultation with residents of Willow Way, Hurstpierpoint to find out how to improve the engagement</p>	<p>We have used the grant to invest in site infrastructure and supplier fees for the creative and sporting programme.</p>	<p>As a result of the event, the residents of one of Mid Sussex's most deprived wards has been able to sample and understand the rudiments of staging an outdoor event that can both enable representatives of that community to consider fund-raising for similar provision next summer and at other times of the year on behalf of the local community centre whose re-opening is planned for early 2019.</p>	<p>Approximately 80 directly, and more than 150 indirectly.</p>	<p>Arts Council England £14,990</p> <p>Clarion Housing Group £500</p>

		<p>of young people in stimulating activities and better understand the long term needs of the Willow Way community. This will be achieved by a meaningful, one-off participatory arts project which will be designed and delivered in partnership with Clarion and MSDC. Outcomes include a local residents group who will take a leadership role in delivering future activities, and an arts-based event titled WillowFest, which will take place during the school</p>				
--	--	---	--	--	--	--

		holidays. The event will encourage active participation and deliver exciting creative activities, free of charge.				
Cruse Bereavement Care	£3,120	Volunteer training	The applicant has not drawn down all the funds as the project is not yet complete. The final session of the training programme will run in the Spring of 2019.			
Disability Access	£1,000	Advice to disabled people on equality issues. Advice to providers of goods and services. Input into planning applications. Development and expansion of the loan service for mobility equipment, in particular essential purchase of replacement	The grant has been used as a contribution to the activities described. Apart from the identifiable costs associated with the mobility equipment and readers group, this provides a vital contribution to maintaining our office which is essential to the continuation of our work.	Apart from the identifiable people benefiting from our services, all disabled people and their carers and others with mobility issues benefit from our work in the community.	About 4000 estimated disabled people and their carers in the local community.	East Grinstead Town Council £300 Waitrose 'Green Token' scheme £490 Many small donations

		batteries, additional wheelchairs which are in high demand and lock-up garage rent. Support for the East Grinstead Visually Impaired Readers Group.				
East Grinstead Town Council	£5,000	Family events programme 2018 - East Court Live, Feast Grinstead and Christmas celebrations	<p><u>East Court Live</u> This year a mix of music including pop, glam rock, ska, and local vocal and dance talent meant there was something for everyone.</p> <p>We did note that there were many more family groups who tended to set up on the MSDC fields so that they could play games and picnic with more space.</p> <p>We brought in more cubicle toilets rather than the urinal block which seemed to go well. Some reserved for gentlemen and some unisex, only on the last day did any type of queue form for these (1 person waiting). We have booked them already for next year as a</p>	<p>The three East Court Live events were blessed with sunshine, great performances and a super good feeling, therefore we are happy to declare them another success.</p> <p>Analysis of the survey follows. <u>Q1 How likely is it that you would recommend East Court Live to a friend or colleague?</u> 0 (not likely) to 10 (likely) 81% scored 9-10 with 9% 0 -6</p> <p>Q2 Overall how would you rate East Court Live? 52% Excellent 42% Very Good 3% Good 3% Fair</p> <p>Q3 How organised was the event? 46.88% Extremely organised 46.88% Very organised 6.25% Somewhat Organised</p> <p>Q4 How friendly was the staff? 56.25% Extremely friendly 34.38% Very friendly 9.38% Somewhat friendly</p>	Events were unticketed so difficult to gauge although the Big Reveal event had over 5000 attendees	<p>East Court Live East Grinstead Town Council £4,674 Income generation from profits from bar takings £3,976</p> <p>The Big Reveal Contributions from the Town traders and other costs met by East Grinstead Town Council</p>

		<p>result.</p> <p>St Johns let us down on one date where they had only one volunteer on the day which meant that we were stretched and had to support the one person. St Johns were apologetic for this and we had the full complement thereafter. We have booked them again but will watch this as we cannot be without medical support on the day.</p> <p>The Big Reveal saw the largest turn out on Saturday 17th November, for the first time it included the simultaneous switch on of the Christmas lights in the town. The Town Council working with high street traders, rotary and town promotions, closed the high street and had over 5000 people in attendance. The shop fronts were decorated and hidden under brown paper (shops from London road and the High St took part) which were “revealed” one by one. The lights were switched on via PA system, a stage and musical entertainment carried on,</p>	<p>Q5 How helpful was the staff? 56.25% Extremely helpful 31.25% Very helpful 12.50% Somewhat helpful</p> <p>Q6 Prior to East Court Live, how much of the information that you needed did you get? 53.13% All the information 37.50% Most of the information 6.25% Some of the information 3.13% A little of the information.</p> <p>Q7 Was the event length too long too short or about right? 84% about right 12.50% Too short 3.13% too long</p> <p>Q8 What did you like about East Court Live? Below are some examples of replies Nice atmosphere. Good music. Room to dance, Brilliant bands/groups, lovely atmosphere, and free. Helping a great group of people to put something back into the community. The venue Friendly atmosphere Town coming together. Great support. We had a great time. Good mix of music and it's free Amazing family vibe of all ages with one common goal to enjoy themselves All of the live music, good quality. Good combination of music. A real community event. I really enjoyed all the bands groups on the last day. It's like our own mini festival, everyone sitting in</p>		
--	--	--	--	--	--

			<p>entertaining the shoppers after the initial switch on.</p> <p>Costs included the stage and PA but also the need for the council to have feeder poles to take electricity from the sub boxes and lamp posts in order to feed the cross street illuminations. Electronic receivers were also fitted in to the cross streets and tree illuminations to allow the simultaneous switch on for those.</p> <p>Feast Grinstead did not take place and grant monies for this were not claimed.</p>	<p>the sun with picnics enjoying the music - excellent - more please!!! A free event which catered for most age groups and seeing East Court being used to its full advantage, a great afternoon out. It's free and it's a great site to watch live music ,It's a lovely occasion for the whole family. More food Vendors and made some arts and craft stalls Overall it's a fantastic day! Seeing community spirit with locals coming to an event as family and friends groups. It was a lovely relaxed afternoon. it was free! Family fun Relaxed, safe, family atmosphere Well organised; friendly event local bias free</p> <p>Q9 What did you dislike about East Court Live? Some examples of replies below I didn't go to east court live but on the morning of one event we were told we couldn't park in the car park to walk our dog as they needed space for the entertainers. Don't tell us we can't park in a public car park to use a public Park. People still need to walk their dogs regardless. ladies toilets and lack of. (EGTC response to this: the car park restriction is to the EGTC car park only which is not available for dog walkers or public parking at any time, as per signage - car parking for non-event users was catered for at the MSDC car park with access to the playing fields and woods which was unobstructed by the events). Nothing.</p>		
--	--	--	--	---	--	--

				<p>People who selfishly blocked the view with HUGE umbrellas on 5 August.</p> <p>N/A Can't think of anything What's not to like - an event like that for free and with sun!!! Amazing Nothing to dislike.</p> <p>Very little vegetarian food choice. This is not ok today. Last year Apple n Cor did a brilliant veggie dish but this year 'not allowed'! If no better next year I will bring own food. (EGTC response: the food choice is free for the vendors to determine, providing there is choice. They are not prescribed)</p> <p>Seeing Bands loading kit round the stage, don't they have a green room back stage or to the side?, The bassist who was loading his bass rig on stage during my daughters dance performance in front of it. Made for a distraction and for bad showmanship to his fellow acts. Parking.</p> <p>Poor quality acts.</p> <p>Toilets could have been better sign posted. 3 out of the 4 toilets had a men's sign on. Not enough Town Councillors joining in.</p> <p>Slightly cheaper range of foods would be nice; i.e. sandwiches or wraps salads etc. May have to consider banning parasols and small marquees as theses can obscure the view of those behind.</p> <p>Q10 Is there anything else you would like to share about East Court Live?</p> <p>All three parties were brilliant Roll on</p>		
--	--	--	--	--	--	--

				<p>next year Politely request no HUGE umbrellas Absolutely fantastic - went to two of the three and had amazing times Yes, roll on next year.</p> <p>It's a great event, arranged by a great team it appears. Thank you for all your work. Great events. Thank you! more options for food and drink, cheaper bar prices Get that webcam working and the world can join in too! Please put them on again next year</p> <p>We were pleased with these results, but there are some need for signage and additional information for toilets, a discussion on the food offerings and explanation as to the town councils private car park and where dog walkers should park.</p>		
East Grinstead Town Council	£2,000	WW1 Centenary Events	<p><u>Armed Forces Day</u> The Town Council paid for static exhibits at East Court for the day using the grant as awarded by MSDC along with amounts from their own budgets. They had a WW1 army encampment, a recruitment tent, munitions and vehicle display and WW1 bi-plane (which was paid for from the 2017 budget underspend along with a small contribution from AFD).</p>	<p>Bringing together the community of the town with an improved understanding of the history of WW1 and how all wars have affected the population. The event created a feeling of pride in how local people come together whilst allowing everyone to take part in celebration of national importance.</p>	<p>Armed Forces Day – approx. 500</p> <p>Remembrance Sunday/Beacon lighting events – approx. 4000</p>	<p>East Grinstead Town Council £2,295 Royal British Legion £500</p>

			<p><u>Remembrance</u></p> <p>The Council relayed the lighting of the Beacon at East Court to the High St during the 11 am service and act of remembrance. The Beacon was lit twice on 11th November both morning and evening and there were two acts of remembrance. The display in the High St also rolled pictures of events from the previous 4 years as the town had marked the centenary of WW1.</p>			
Experience Mid Sussex	£3,000	Marketing support promoting the assets of the region through the Experience Mid-Sussex group, including gardens, vineyards, hotels, and attractions. Aim to raise visibility for both residents within the region to remind them of local attractions,	<p>The grant was used across a range of marketing channels including:</p> <ul style="list-style-type: none"> - Distribution of 10,000 promotional leaflets through an insert in Sussex Life Magazine in May (£500 + VAT) - A digital marketing campaign through Archant Publications, who publish the Sussex/ Surrey/Kent Life series of print magazines. The campaign was run over 3 months across their 'Go Target' Online Advertising Platform -April to June. (4 x £240 + VAT) - 1 month Tourism South East E-newsletter Package in June with 	Reminded residents of the wonderful range of gardens, attractions, hotels, venues and vineyards available to them on their doorstep and promote the range of events and facilities on offer.	<p>Number of facebook subscribers: 1,861</p> <p>followers</p> <p>Exposure to Go Target Campaign: >16,000 for each of 4 campaigns</p> <p>Sussex Life circulation: 10,000</p> <p>Tourism South East Newsletter</p> <p>Subscribers: >15,000</p>	Other funding is sourced through annual subscriptions from member organisations to support the website and social media activity. Partners pay £200 + vat each yearly. Total subscriptions: £2,200 + VAT

		as well as promoting Mid Sussex as a tourist destination for those living outside the area and overseas visitors. To promote events that partners are hosting to attract more visitors. This keeps them in business and encourages employment that helps the local economy.	direction to the Experience Mid-Sussex website (£140 + VAT) - Tourism South East Website Advertising Package to raise awareness of the beauty of the region through the Experience Mid-Sussex promotional video kindly supported by Mid Sussex District last year. (£524 +VAT) Implementation of marketing campaigns by Marketing Freelancer, Sara Hancock (£396) Total: £2,559 + 424.80 VAT = £2,944.80			
Fixers	£4,972	Youth and mental health project	Project is still ongoing – extension agreed to July 2019.			
Friends of Burgess Hill Green Circle Network	£1,551	Wild About Mid Sussex wildlife and countryside free conservation event	The outcome of the welcome grant from MSDC was a very successful 'Wild About Mid Sussex' event on Saturday 2nd. June. The sun shone brightly as local MP Sir Nicholas Soames was greeted by Cllr. Pru Moore. He toured the seventh 'Wild About Mid Sussex' event in St. John's Park, Burgess Hill	Judging from the happy faces and holiday atmosphere, visitors enjoyed the various exhibits. Lindsay's Animal School brought all manner of furry animals and birds and were kept busy throughout the day, as was Hug A Bug, a local attraction featuring mainly invertebrates. There were bats and bees, too. On the wildlife art side, Iona Starr's 'Plankton Word' featured an imaginative 3D video animation of different kinds of plankton and minute marine life,	Approximately 3000 visitors to the event although unable to say how many of these were Mid Sussex residents.	

			at 10.00 am last Saturday. Sir Nicholas chatted briefly with most of the exhibitors and discovered many items of interest. From then on, there was a steady flow of people of all ages.	while Janine Creaye, who carved the entrance portal for Bedelands last year, was giving demonstrations of wood carving. Outdoor activities included the Plumpton Bowmen and the Crawley Mariners Yacht Club, who brought a small sailing boat, a kayak and a wind surfing board along to display.		
Grace Eyre Foundation	£5,000	Friendship group for people with learning disabilities	Project due to end in March 2019			
Greater Brighton Economic Board	£11,234	Partner contribution to support the work of the Greater Brighton Economic Board	Contribution to promote economic growth throughout the region and bring jobs and prosperity to the area toward a work plan of activities, projects and programmes led by member organisations and partners.	Work plan, activities and projects for 2017/18, in partnership with member organisations include: <ul style="list-style-type: none"> • Adding memberships from Crawley Borough Council and Gatwick Airport Ltd in order to increase the board's weight and influence • Helping to secure funding to deliver the Burgess Hill Growth Programme • Working to secure funding to deliver a successful One Public Estate Programme • Establishing an Inward Investment and Export Team. 	These projects benefit all residents and the District as a whole	Contributions from principle partners – local and planning authorities, education providers, business and economic partnerships.
Haywards Heath Cricket Club	£840	Flat sheet pitch cover	The flat sheet cover has been used to cover prepared pitches on the square at Clair park to protect them from rain. The previous old cover was old and leaked to the extent that water often seeped through the cover	The new cover has increased the amount and quality of both match and practice pitches that have been able to be prepared, and has lessened the time consuming work necessary on damaged pitches.	The club has around 230 senior and junior members, and all have benefited except the very youngest junior members that play softball cricket on the outfield instead of hardball cricket on the	Other Club income

			and spoiled match and training pitches. The new cover is also larger than the old and can protect three pitches at any one time.		square.	
Haywards Heath Town Council	£5,000 (£5,000 also awarded through a facility grant)	South road tree planters	The purchase of 36 wooden planters. The purchase of 36 trees. Fitting and support brackets for the trees. The purchase of soil to fill the planters. The placement of the 36 planters on South Road. The professional planting of the 36 trees.	The better environment in South Road will benefit residents and visitors to the town by improving the area. Our streets are important places for people, and successful streetscapes are inclusive, providing for the needs of their users, which includes pedestrians, cyclists, motorcyclists, bus operators, passengers, private vehicle owners, and moreover supporting local employers and businesses which we hope will thrive in a more sustainable environment.	All residents and visitors alike to the Town are able to benefit from the new environment created by the lines of trees.	50/50 split of total project cost between MSDC and HHTC at £9,206.40 each.
Haywards Heath Town Council	£4,900	WW1 commemorative paving and civic event	The grant was used to assist with organisation and delivery of the following events. Aurther George Knight Victoria Cross winner service 2/9/18 Associated costs of a Civic Service to commemorate the service of the Town's VC winner. Haywards Heath Town Day 8/9/18 A display by the Wings Parachute Team falling into Victoria Park. Remembrance Sunday Service 11/11/18 Small improvements at	The grant, through Town Council organised events, gave residents a structured way to attend events/services that commemorated not only those who served in WW1 but all of the Country's active, retired and deceased servicemen and women. Of course the 100th year anniversary of the end of WW1 was central to all the events/services on Remembrance Sunday and there was a special service for the Town's VC winner, which was attended by dignitaries from Canada. The 100th year anniversary of the Royal Air Force also coincided and was recognise by the parachuters at Town Day.	Anyone in the District were able to attend and be involved in the events/services as they were free to attend.	The three events were included in the Town Council's event programme for 2018/2019, which the Town Council contributed £3200 in addition to the MSDC Grant.

			HH War Memorial HH.			
Hurst Festival	£1,250	Contribution towards expenses for the Hurst Festival 2018 Community Launch Day (colloquially known as "Super Sunday"). The events and entertainment on this day are free to all thanks to the generosity of sponsors.	Specifically the Mid Sussex Grant has been used for payment of a sub-set of the Super Sunday events namely Street Theatre performers (Handmade Theatre, Curious Creations and Sid Bowfin) and the Burgess Hill Marching Band.	Thanks to this grant and others, the Festival was once again able to attract large numbers of people (well over 1000 but precise numbers unknown) to the 5 hour long Super Sunday event. The High Street was closed for the duration and visitors could attend any of 14 specific events as well as patronising local traders who had opened for the day and food and drink stalls set up in the high street. The weather smiled on us and large crowds moved between the three main focus areas of the day - the Village Green, the Recreation Ground and the high Street between the Green and the Players Theatre. The benefits hoped for - increased sense of belonging to the community, fun and entertainment, and trade for local businesses, were all achieved. Informal comment was once again overwhelmingly favourable ("Why can't we do this every weekend?" was one family's plea!)	More than 1000. [no precise numbers available as non-ticketed] From ticket sales of other Festival events we know that 88% of online purchasers come from Mid-Sussex, and 77% from the local BN6 postcode area. These figures are likely to be exceeded in terms of % local residents attending Super Sunday in view of the free nature of the event which attracted a broad range of families including those without substantial financial resources.	Hurstpierpoint and Sayers Common Parish Council £2500. Hurst Community Charity (£6750 in 2018), Big Lottery Fund (£6750 as a one off), European Union "Europe for Citizens" programme which funded all expenses in connection with commissioning, performing and more widely disseminating a play dramatising the role of Danny House in the run up to the 1918 Armistice (12600 Euros).
Hurstpierpoint Cricket Club	£5,000	Coaching to increase level of participation in the sport from the local community. (Additional funds were also provided under S106	- Running of additional coaching sessions for youth, female and adult players returning or new to the game - Construction and installation of new artificial wicket for use by all sides at the club, specifically junior players	- have run coaching sessions that attracted over 300 participants from the local area - Net result is the creation of a new women team, a new 'girls cricket' section in U13, and U15 age groups and a new adult league side allowing youngsters to transition to play senior cricket - Hosted over 100 fixtures on the new artificial wicket that would otherwise	Over 300, combined between male and female adults and participating children direct from the club and then equal numbers from other clubs attending games and joint coaching sessions.	In region of £25,000 of additional sponsorship from business and individual contribution.

		monies for clubhouse improvements)		have impacted on the long term usage of the grass facility Club membership has increased by 50% as a result of improvements to facilities and ability to put on cricket		
Hurstpierpoint Gymnastics Club	£1,900	Equipment, transport, awards and competitions	Purchase of five new mats to replace old worn mats, which has enhanced the training area. We have purchased and distributed over two hundred British Gymnastics Awards to gymnasts who have reached higher levels of attainment. We took a party of children to London - for some their first ever visit - and explored the British Museum and experienced music, drama and costume organised by the West End Community.	Virtually all of our children are from Mid Sussex. They are using the new mats, have received awards and participated in the London visit.	Approximately 360.	None so far, but we are applying to Clarion Housing Trust and will later apply to the Sussex Community Foundation.
Kangaroos	£5,000	To support BreakAway, our Saturday and Holiday Club for young people with learning disabilities aged from 12 to 18 to contribute to cost of salaries, activities including overnights,	Contribution to BreakAway, our Saturday and Holiday Club enabling young people with learning disabilities, aged from 12 to 18, to have a social life and experiential opportunities with their peers. Over the last year we have increased our output and membership, providing 80 clubs to 52 young people with disabilities that include autism, cerebral palsy,	BreakAway makes a huge difference to the lives of the youngsters who attend as well as their families who are able to have a well-earned break knowing that their disabled child is well looked after and having a worthwhile life enhancing experience. BreakAway has given the members new experiences resulting in increased confidence in the community as well as increased independence from their families. Feedback from three happy parents after an overnight stay at Lodge Hill Outdoor Centre in the Summer Holidays:	Kangaroos now has a membership of around 220 members. The grant also benefits their families who receive a short break as a result of their young person attending Kangaroos and volunteers also benefit from the experience.	West Sussex County Council - £1k, Souter Charitable Trust - £5k, St James Place Foundation - £5k, Sussex Community Foundation - £12,500, Burgess Hill Town Council - £700, Gatwick Airport Community Trust - £800,

		transport, training, recruitment and safeguarding .	challenging behaviour, sensory impairments, epilepsy and reduced mobility. Activities included in house sessions such as running a cafe, a bbq, a sensory session and a day themed around Wimbledon tennis tournament. BreakAway members have also enjoyed many minibus trips out , including visits to the theatre to see Horrible Histories, Leeds Castle, Chessington and Marwell Zoo and they have also had overnight experiences at Henley Fort and Lodge Hill Outdoor Centre.	<p>“Huge thank you for all the organisation that went into making this trip possible. I was told that Sean did really well, however I know that is down to the care and attention of the staff who know him so he can get the most out of the activities on offer.” (parent of a non-verbal autistic young man)</p> <p>“Thank you to everyone who made the weekend possible. Connor really enjoyed himself as usual and we had a nice break. A big thank you to all.” (parent of a young man with attachment disorder).</p> <p>“Every time Amy goes away with you guys she comes home liking a new food or having learnt a new skill. This time it’s liking showers! She has never ever had a shower at home and has always been anxious about them. Since being back she has chosen to have a shower every evening instead of a bath! This is the girl who has had a bath almost every night since she was teeny! Yesterday I washed her hair in the shower instead of with a jug. It might sound like a small thing but to us it’s huge.” (Mother of a girl with autism who suffers from extreme anxiety)</p>		Daytrippers - £276, Henry Smith Charity - £21,382, Rank Foundation - £750, Adamson Trust - £750, Bruce Wake Charitable Trust - £1k, David Solomons Charitable Trust - £1k, Peter Harrison - £10k, Hall & Woodhouse - £1,175, Ernst Kleinwort - £3k, Shanley Foundation - £1k, Sobell Foundation - £10k, Ian Askew Charitable Trust - £500, Mid Sussex Mencap - £5k, Childwick Trust - £10k
Know Dementia	£1,774	To open up a Dementia Cafe in Haywards Heath for people with dementia and their carers.	The majority of the grant has been used to pay for the hire of a room at Haywards Heath Town Hall to host the cafe. The remainder has been used to provide entertainment and light refreshments to those attending and some funds have been used	The grant has enabled residents in Mid Sussex with dementia and their carers to meet other people in the same situation. Meeting others in same situation is vital to prevent people affected by dementia from feeling isolated. At the sessions people are able to exchange information and offer support to each other.	Over the year we have had an average of 25 people attending each monthly session. We have had approx. 60 different people affected by dementia who have attended at least one session. Some of these attending for the	We received £750 from Haywards Heath Town Council, £100 Haywards Heath Lions, £200 Warninglid Tennis Club, £300 Rotary Club and £690 from individual

			towards advertising the sessions.	Being able to talk with others in the same situation helps with emotional issues, such as depression, as well as more practical problems related to the disease.	majority of the sessions and others may have only been able to attend for a few sessions. We have had on average 5 volunteers attend each session.	fundraisers.
Lindfield Arts Festival	£1,250	Creative workshops at Lindfield Arts Festival	Exploring Senses ran two workshops engaging children and adults of all abilities; children took home with them their mutant toys. Circus Brighton ran workshops and performed from 10.00am to 4.30pm on Saturday 9th September and Tom Goulden ran two very successful workshops giving children and adults the opportunities to make their own graffiti tag and to take that home with them. The grant part funded the workshop leaders.	649 people registered and attended workshops over the weekend Overall audited attendance was 3014 visitors	649	Coop £2797; Lindfield PC £250; Gatwick Comm Trust £1500; Combers Trust £250; Rotary £600; WSCC £1200; Fonthill BCA £300; Business sponsors £2650; Friends of the Festival £1440
Mid Sussex Active	£2,100	Girls get active – fitness project	Girls fitness sessions involving over 14 schools in Mid Sussex, from Burgess Hill, Haywards Heath and East Grinstead areas. 8 sessions were run for each school and involved over 200 girls in regular physical activity sessions. Funding was also used to run a girls fitness festival at the Triangle leisure centre which involved	Over 500 children from Mid Sussex area, introducing them to new fitness activities they wouldn't usually have the chance to do.	Over 500 children plus 12 different fitness instructors/staff	In-kind finding from schools for venue hire and some staffing time has been paid for by individual schools. MS Active also used their own fitness instructors for 3 of the sessions.

			over 300 girls from 26 different schools. this was a morning of them trying different fitness activities with numerous instructors.			
Mid Sussex RED	£2,500	To purchase Display & Projection equipment for the Group to use in Exhibitions and presentations . To pay for Venue Hire for Exhibitions. To pay for Exhibition displays to be professionally printed onto large posters.	The grant has enabled Mid Sussex RED to deliver 5 events. September 2017: nearly 400 Primary School children (and approximately 50 adults) from 6 Haywards Heath and surrounding Schools attended a Military History Remembrance Event held at Clair Hall. October 2017: the same event was delivered to the General Public of Mid Sussex attended by a proaching 80 people. February 2018: an event to just under 100 Year 5 at Baldwins Hill and Halsford Park Primary Schools in East Grinstead regarding East Grinstead Soldiers involvement in WW1. April 2018: around 60 people attended an RAF Centenary Remembrance Event held at the Drill Hall in Haywards Heath. This event was for the RAF Cadets of 172 Squadron and their families. There were presentations and a small exhibition. May 2018: MS RED and	MS RED residents, of ALL ages, have benefitted from this grant which has enabled, and will continue to enable Mid Sussex RED, as a volunteer community group, to deliver Military History Remembrance Events throughout 2018 and beyond.	Over the 5 events described in this report around 500 Primary School Children in Haywards Heath and East Grinstead, aged between 7-11 years, have benefitted from this grant. Anywhere between 150 to 200 Teenagers, Adults and Elderly Mid Sussex Residents have attended the 3 Non-School events MS RED has delivered between September 2017 and May 2018. Further to this - Mid Sussex RED has made numerous contacts with like-minded Charities, Community Groups and businesses, many of whom have assisted us with the delivery of these events and will continue to do so going forward.	£250 grant from Haywards Heath Town Council, which assisted to pay for the Venue Hire of Clair Hall, Haywards Heath for the September 2017 Schoolchildren's event. TWO sets of £333 sponsorship grants from a Lindfield based Surveying Company and the Charitable Trust of the Royal Society of Saint George. All of this money is used to pay for the ongoing running costs of the community group such as Annual Insurance Policies (over £300), Website subscription fees (£100), Administration costs of printing, postage etc and a very small amount

			<p>the East Grinstead Museum "joined forces" to deliver a "Tea & Two Talks" presentation event at St Andrew's Church in Burgess Hill. This session included an MS RED Presentation on Mid Sussex Men in WW1 and then an East Grinstead Museum presentation on Sir Archibald McIndoe and the "Guinea Pigs" from World War 2. This event was OPEN TO ALL and was attended by over 40 people.</p>			<p>of "advertising" of our group. Annual membership fees of between £3 to £11 (age dependent) plus small amounts of money to put forward against running costs by selling books/items via e-bay and running stalls at events such as Haywards Heath Town Day.</p>
Nature Nurture Community Forest School	£2,400	Family forest school taster sessions	<p>We used the grant to pay for marketing & admin, expenses & materials, site hire fees and the staff costs involved in running the sessions. We began the sessions in August (somewhat later than we had originally planned due to some staffing issues) and they ran until the beginning of November.</p>	<p>We ran some family sessions in Bedelands Nature Reserve in Burgess Hill, some Dads sessions in East Grinstead and Turners Hill and some sessions for families with children with additional needs in Turners Hill. All the families who attended came from the Mid Sussex area and we received very positive feedback from all those who came along. No charge was made for any session and we approached local Housing Associations and the Children and Family Centre to help us to advertise in order to reach as many people as possible.</p>	<p>We reached 150 families in Mid Sussex (with between 1 and 3 children each) and ran the sessions in three areas across the district - Burgess Hill, Turners Hill and East Grinstead.</p>	<p>We used £500 of grant funding received from our involvement in the Lloyds Bank & School of Social Enterprise scheme, and £200 from our income from birthday parties over the summer to help us to subsidise the costs of the project.</p>
Nature Nurture	£2,068	12 woodland play sessions for families with pre-school and primary aged	<p>The initial 6 sessions were run in Haywards Heath, using Scrase Valley Nature Reserve by the Bentswood Estate. These were run during</p>	<p>It was felt that the aims were achieved which were to:</p> <ul style="list-style-type: none"> • Increase the opportunities for children and their families to play and learn outside • Encourage families to go out to the 	<p>Approx 16 young children and their families attended each event so around 348 in all. The vast majority of people came from within</p>	<p>£500 from Haywards Heath Town Council which was used to buy resources and</p>

		<p>children in Haywards Heath, Burgess Hill and East Grinstead. The aim of the sessions was to provide forest school type activities for families, to encourage them to visit their local green spaces and to foster a connection with nature.</p>	<p>term time and were aimed at families with pre-school aged children. The local Children & Family Centre and Bentswood Community Association helped us to promote the events to local families. They were based around a book or a theme e.g. The Gruffalo, Hungry Caterpillar and Going on a bear hunt to appeal to toddlers and to encourage families to use their local green spaces. The remaining sessions were delivered during school holidays so attracted families with children from 1-12. These were run in Burgess Hill and East Grinstead.</p>	<p>woods more themselves and make the most of their local green spaces</p> <ul style="list-style-type: none"> • Increase families confidence to take their children out and do more messy, risky play • Give them ideas of things that they can do themselves that don't cost money • Increase childrens confidence, curiosity and knowledge of the natural world • Raise awareness of and encourage respect for nature <p>The events were very popular and within the first few sessions there was a waiting list. The feedback received from those who attended was very positive.</p>	<p>Mid Sussex (only a handful from outside the area). With the Scrase Valley sessions all families came from Haywards Heath itself.</p>	<p>equipment for the Haywards Heath sessions.</p>
Poynings Volunteers	£2,500	Playground equipment at Poynings Recreation Ground	To purchase and install a Playdale Seahorse seesaw in the Poynings children's play area.	Many children of all ages love interacting on it, including grandchildren of residents. Also this installation has prompted a general cleaning up of the run down play area by volunteers and MSDC alike.	Countless children and their parents and grandparents	£2500.00 from West Sussex County Council £160.00 from a village fund
Rape Crisis Surrey and Sussex	£4,600	Counselling service	Our Outreach Department made the following contacts to advertise services to women in Mid Sussex: Presence at Freedom Programme run by Safe in Sussex (3x per year) gave presentations about sexual violence and distributed newly printed leaflets; Critical Partner at	There are no specialist services for violence against women and girls between Crawley, Brighton and Worthing and we feel that women in Mid-Sussex have little understanding about the legal definitions of sexual violence and little or no knowledge about where to find help. This project has begun that process and we want to continue to make presentations in Mid Sussex. Statistically 1 in 5	30 women have been seen in therapy, however, we have reached many more through our Outreach contacts and are confident that when the time is right for them, they will contact us for help.	This was the only funding that we received for Mid-Sussex residents.

			<p>the Crawley and Mid Sussex Pathfinder steering group (regular meetings); Outreach presence at Pathfinder drop-ins in Haywards Heath and East Grinstead to be established as a follow up from this early 2019; Attended the Asset Based Community Development day run by Emerging Futures; Attended the Mid Sussex Youth Emotional Wellbeing Conference; Member of the Mid Sussex Voluntary Action (we are listed on their website). After promoting our services, we began to see a steady incline in survivors of all forms of sexual violence contacting us for therapy and information about the Criminal Justice system because they were thinking about reporting to the police. The Grant of £4,600 was spent by paying therapists for each session and essential clinical bi-monthly supervision, printing leaflets for distribution in Mid Sussex, the cost of the counselling rooms in Crawley and Worthing, travel expenses for Outreach workers.</p>	<p>women have experienced some form of sexual violence and we feel that we have a lot more work to do to reach the survivors in Mid-Sussex. The long term trauma therapy the residents have received is specialist and provided by highly qualified therapists. Based on the feedback we regularly receive, we have helped women to recover from their trauma and given them the tools to cope and recover as well as providing psycho-educational support which will prevent future sexual violence trauma.</p>

Respect Youth Club	£900	Weekly activity programme	To help pay for our annual hall hire costs and the annual public liability insurance premiums	It has allowed the "Respect" youth club to continue to operate - thus giving the youth in our area something to do every Tuesday evening	All members of the youth club (approx. 60) plus the residents of Leylands Ward	NTC Indomitable - £500 towards replacement of equipment lost in the fire that destroyed the NTC hut in 2016 Sheddingdean Community Gospel Choir - £25
Revitalise	£3,540	Contribution toward 10 respite care breaks for Mid Sussex residents	The grant was used as stated in the original purpose, to provide 10 respite breaks for disabled people and carers from Mid Sussex. Whilst with us, guests received 4*, all-inclusive, accommodation with en-suite wet rooms and tracking hoists throughout, 24-hour on-call nurse led care, a daily programme of entertainments, the choice of a range of excursions on our fleet of accessible minibuses, and the companionship of our army of residential volunteers – 90% of whom are aged under 25. Guests took their week long breaks on themed weeks including Historic Hampshire and Summer on the South Coast, with our guests having disabilities including Cerebral Palsy and	Providing respite breaks has significant benefits on the relationships between the disabled person and their carer. Our guests from Mid Sussex have benefitted from: Improved quality of life and wellbeing Improved relationships with others Reduction in loneliness and isolation	10 people from Mid Sussex benefitted directly from this grant, however many more friends and family that provide support would have benefitted indirectly.	This grant was the only funding we received specifically for guests from Mid Sussex. However, we received income from our on-going fundraising programme. Funds were sourced from a variety of funding streams including Trusts and Foundations, local authorities, individual donors, corporate partners, legacy bequests and a calendar of fundraising events.

			Multiple Sclerosis.			
SASBAH	£2,000	Services to support people with Spina Bifida and Hydrocephalus	<p>To help fund many of the services provided for Mid-Sussex service users, including:</p> <p>(1) The Adviser service provides (through home visits, telephone and/or email) round-the-clock information, advice, support and advocacy in many different subjects, including health care, housing, transport, financial benefits, employment, family support, and help towards independent living. This service continues to be subject to increasing demand as a result of changes to Government policy and support for those with disabilities.</p> <p>(2) The Social Programme offers a full and varied programme of social events. In brief, the outcomes achieved are all to do with maintaining and increasing wellbeing of this disadvantaged group. These are all ongoing and long-term, which can be measured in terms of years rather than months. In particular, the practical outcomes, which have</p>	In brief, the outcomes achieved are all to do with maintaining and increasing wellbeing of this disadvantaged group. These are all ongoing and long-term, which can be measured in terms of years rather than months. In particular, the practical outcomes, which have made a real difference to the lives of those concerned, can be summarised as: (1) a greater level of independence and opportunity, especially the ability to live independently; (2) higher levels of confidence, personal care, motivation and self-esteem; (3) far higher levels of social inclusion; (4) the right levels of statutory and other support; (5) less stress and frustration (both very debilitating) for service users and for their families; and (6) simply the opportunity to have fun and enjoy life.	56	<p>£2000 - MSDC</p> <p>£1000 - Lloyds Bank Foundation</p> <p>£500 - Sussex Community Foundation</p> <p>£2000 - West Sussex Travel Society</p> <p>£1750 - BBC CIN</p> <p>£500 - Sir Jules Thorn CT</p> <p>£2000 - Sasbah community fundraising</p>

			<p>made a real difference to the lives of those concerned, can be summarised as: (1) a greater level of independence and opportunity, especially the ability to live independently; (2) higher levels of confidence, personal care, motivation and self-esteem; (3) far higher levels of social inclusion; (4) the right levels of statutory and other support; (5) less stress and frustration (both very debilitating) for service users and for their families; and (6) simply the opportunity to have fun and enjoy life throughout the year, some in Mid Sussex, but all (with assisted transport if necessary) open to Mid Sussex residents.</p> <p>(3) The 'Sussex Buddy Scheme' offers disabled people a one-to-one befriending service to enable them to access community facilities and to engage in community social activity.</p> <p>(4) The Mid Sussex Local Support Group, which meets monthly, enabling local service users and their families to share experiences, improve</p>

			understanding of the conditions, combat social isolation, gain access locally to Sasbah support services, and keep Sasbah informed of their needs.			
St George's Millennium Garden Trust	£450	To help fund some additional tree sculptures from parts of an ancient Monterey Pine which had to be felled for safety reasons	The additional sculptures – 3 large mushrooms, a hedgehog and a bear-were created in the Summer and have resulted in a more finished look for the whole area.	Yes, the many local people in Hurstpierpoint who regularly walk through the garden.	Difficult to quantify, but must run into the hundreds.	Project cost £2000. £500 from the 1996 Community Fund and balance from Trust's own reserves.
Summerhaven	£1,000	A contribution towards costs of providing a weekly drop-in centre for adults in South Mid Sussex with mental health problems. The aim is for them to socialise and prevent social isolation in a safe and welcoming	The grant was used mainly towards the hire of premises at the Old Post Office in Burgess Hill (£ 511), and also the cost of Insurances (£ 84), Volunteer Admin., Travel and Training (£ 243), Computer & Stationery (£ 162).	Mental and physical well-being has both been enhanced by the provision of activities including pool table, computer, refreshments and a safe place to socialise.	Between 35 - 40 people.	Sussex Community Foundation. £1,390 Waitrose Collection. £312 Burgess Hill Town Council. £500 Burgess Hill Lions Tapas Evening. £300 Total. £2,502

		environment.				
Sussex Chorus	£1,699	To widen our reach into the local community, providing opportunities for those not musically trained to listen to and join in with classical choral music. To increase our audience figures, membership and supporter numbers to make us more financially viable. To broaden general understanding and knowledge of classical music in the Mid Sussex area, keeping it alive and making it feel more	We held two open workshop evenings inviting local people to try singing in a four-part choir for themselves. The programme was designed especially for the workshops with fairly straightforward music people might have heard before. We advertised with a specially printed leaflet, distributed widely by choir members as well as through social media and our website. We held a Christmas music social event with refreshments so that families, friends and other visitors could enjoy singing with us, learn new carols and experience singing in harmony and fugue form. We extended our publicity activities for performances, organising choir members with posters and leaflets so most known display areas and outlets were covered across Mid Sussex. We used social media and the website extensively, linking in e.g. to Burgess Hill Town Council and Mid	We are not unusual in the field of classical music to be experiencing challenges in attracting new members and audiences. However, following the specific activity described above, we have attracted seven new singing members. Two of those have become active in helping run the choir and the charity. Two have joined our new marketing group and the other has recently been elected as the Treasurer. The workshops brought around six people each time to 'try us out' and generated some of the new memberships. The Christmas open evening was very successful with around 25 people joining us. By being proactive in exploring new outlets for publicity, we developed a relationship with American Express who now display 13 of our posters for every concert. We have reviewed our 'Friends' offer and, with new publicity distributed recently, have interest from several people who intend to support us financially through this programme.	Choir membership stands currently at 85/90 and the majority of those people live in Mid Sussex. Our audiences are often family members and friends of singers or have responded to publicity disseminated throughout Mid Sussex. Audience numbers have averaged around 150 and we still want to improve this. We have agreed an exciting programme for 2019, have a newly recruited Musical Director/Conductor joining us in January and, in response to the activity generated through the grant, now have a Marketing Group of eight singers who are working together to promote the choir.	Grants and Donations: Mid Sussex DC £1,611.97 Lyn Foundation £600 Mrs Prue £25 Charities Trust (Barclays) £530 Fundraising events organised by choir members: Book sales £250 Table top sales £570 Quiz night £208

		inclusive.	Sussex D.C. via Facebook and Twitter.			
West Sussex Mediation Service	£2,500	Supporting the provision of a range of free mediation services for residents of Mid Sussex who are experiencing conflicts in their lives.	We used the grant to help service the 58 referrals we received from Mid Sussex District in 2017/18. The grant paid for volunteer expenses/CPD, venue hiring and admin costs relating to casework. Full cost recovery on that number of cases would be around £22,000.	Disputes/conflicts resolved, reduced instances of crime and antisocial behaviour, reduced fear of crime and isolation and improved community relations/cohesion. Volunteering opportunities taken up, which is proven to improve wellbeing (as with our mediation work). Our work has alleviated demand on other statutory agencies.	350 directly and many more indirectly. We were busiest in the three larger towns in Mid Sussex but also helped residents in 11 villages.	Grant from the PCC, Clarion Housing, Burgess Hill, East Grinstead and Haywards Heath Town Councils plus various small grants from Mid Sussex Parish Councils. Earned income from paid mediation e.g. Workplace Mediation. Fundraising. Donations. Trusts & Foundations grants
