2. **SUMMARY**

Appendix A summarises the progress to date on the plan and the status and types of recommendations arising from our work for 2014/15 and Appendix B shows the same for the 2015/16 work year.

3. **RECOMMENDATIONS**

The Committee is asked to receive this report.

4. REPORT TO AUDIT COMMITTEE

Progress on implementing previous recommendations

- 4.1 We have completed a number of follow up audits as shown below. There was one audit with a high priority finding (NNDR); on the remainder no high priority findings were raised. In all cases the agreed actions have been implemented or are in progress, except for one low priority finding, where a new implementation date has been agreed with the Audit Manager.
- 4.2 Also, we have agreed to a request regarding a medium priority finding on the NNDR audit from CenSus to extend their deadline from 31 March 2015 to a new date of 31 March 2016. This will allow for the clearance of the historic elements of the NNDR Suspense Account which has decreased from £83,640.95 at the time of the audit to a balance as at 27 August 2015 of £19,976.33.
- 4.3 The follow-up audits were as follows:
 - Data Protection Awareness and Training
 - NNDR
 - Procurement
 - Sundry Debtors
 - Creditors

4.4 We have not yet received the Internal Audit Report from Mazars of CenSus Housing Benefits for 2014/2015. This was due by 30/06/2015. We have contacted Mazars regularly since June and were given an assurance that this would be issued by the end of August 2015.

PROGRESS AGAINST THE 2015/2016 INTERNAL AUDIT PLAN AS AT 31 AUGUST 2015

- In line with the audit programme for 2015/2016 we have issued one audit report during the period as follows:
 - Fraud Risk Assessment
- 4.6 In addition to the follow ups, we were working on the following audit at the time of writing this report:
 - Procurement including compliance with the new Local Government Transparency Code.
- 4.7 During the next Quarter we will begin work on the following fundamental systems:
 - Payroll
 - Treasury Management
