Comments:	<p>07/08/2021 11:55 AM My property in Grange Road backs onto Old Station Road - I am some 100 yards from The Carriage and the seating around the corner and onto the decking in Station Road. Since the ability to open and use outdoor space was allowed, the use of these outside premises has meant regular noise from customers, often late into the evening and people tend to hang around the area in or near parked cars even after closing. It is regularly impossible to sit outside in the evening without being disturbed by this noise. During the day, music is sometimes played which can be heard widely.</p> <p>Parking is also an issue, on several occasions I have seen vehicles ( sometimes tradesman doing repairs etc ) parked across the left hand carriageway on double yellow lines blocking traffic turning left out of Old Station Road. Longer licencing hours will obviously encourage more people to come and parking locally for the general shops is already under pressure.</p> <p>An extension in licensing hours - and the current application for planning - will only serve to make these matters worse. Last orders at 11.00 on Friday, Saturday and Bank Holidays still means that people will be drinking right up to closing at 11.30 and the area will probably not be clear until midnight.</p> <p>There are also closer neighbours, especially in the surrounding flats and the Old People's accommodation across the road who would be greatly effected by these increased hours and possibly intimidated by those who have consumed volumes of alcohol.</p>

Kind regards
