Dear Jon Bryant

Thank you for your reply explaining the procedures that are being undergone in respect of the new Premises Licence for the Leaseholder of the above premises.

I confirm that this comment confirming that we live just across Finches Field and have never had any issues with noise etc. is in relation to the objective Prevention of a Public Nuisance. To expand on this we are not disturbed by noise during licensing hours or at closing time and although we have heard the bands on occasion they do not disturb our enjoyment of our own garden and they always finish at a respectful time so as not to cause disturbance into the night.

I hope this will be of help to support the application.

Kind regards

Steve & Karen Kashdan

To be clear, the Premises Licence that is currently granted to the premises is not under consideration. This Licence remains in existence and is not affected by the application under consideration. The issues surrounding the current licence is a matter strictly between the pertinent

parties and not a matter for the Licensing Authorities involvement unless particular issues affect either the promotion of the 'Licensing Objectives' or impacts on the requirements of the Licensing Act 2003.

> In respect of applications made under the Licensing Act 2003 relevant representations can be made in opposition to, or in support of, an application and can be made by any individual, body or business that has grounds to do so.

> In Licensing Applications a representation is only "relevant" if it relates to the likely effect of the grant of the licence on the promotion of at least one of the Licensing Objectives.

of the objectives. I am not permitted to accept any representations that are not relevant under the Act.

> I note your comments in the second sentence of your email. Potentially these comments surround the

promotion of the licensing objective of Prevention of a Public Nuisance by the applicant. This includes noise nuisance. Are you able to confirm that this comment is in relation to this objective and if possible are you able to provide any other information in this respect.

> Please note that the consultation period ends at 23:59 hours tonight (17/09) and I would need to receive this information by this time.

In connection with this and as very local residents in West Hoathly my husband and I would like to add our support to the application. We live just across Finches Field and have never had any issues with noise

etc. We do visit the pub from time to time and we are very happy to have this available to us. We believe that Claire and Tim have done an amazing job of keeping the business going during lockdown and beyond and have supported locals with different options such as take away and a shop. It would be a huge loss to the community if the license was not granted.
