### Purpose of Report

1. The purpose of this report is for the Council to formally determine the domestic taxbase for the district for 2022/23.

### Summary

2. The report proposes that the domestic taxbase for next year is 63,230.6, an increase of 1.62%. The estimated collection rate is 99.4%.

### Recommendations

3. (a) Pursuant to the Head of Corporate Resources' report and in accordance with the Local Authorities (Calculation of Tax Base) (Amendment) (England) Regulations 2003, the amounts calculated by Mid Sussex District Council as its tax base for the whole area for the year 2022/23 shall be 63,230.6 and for each parish area for the year 2022/23 shall be:

Albourne	313.7
Ansty & Staplefield	1,285.7
Ardingly	752.1
Ashurst Wood	760.4
Balcombe	849.7
Bolney	659.9
Burgess Hill	12,395.7
Cuckfield	1,685.3
East Grinstead	11,519.5
Fulking	145.4
Hassocks	3,622.8
Haywards Heath	12,350.9
Horsted Keynes	701.0
Hurstpierpoint & Sayers Common	3,196.9
Lindfield	2,863.7
Lindfield Rural	1,648.6
Newtimber	40.5
Poynings	134.8
Pyecombe	131.7
Slaugham	1,615.0
Turners Hill	666.2
Twineham	159.3
West Hoathly	961.5
Worth	4,770.3

---

### Background

4. The tax base is the divisor used to convert the total net amount required for local authority spending in the area to a level of council tax due for a band D property.

5. A tax base is required to be calculated for each parish area in order to allocate Special Items, which for this Council comprise the precepts of the Parish and Town Councils.
6. It should be noted that setting the tax base is the sole responsibility of the District Council as the Billing Authority and we have given explanations of the individual parish taxbases where requested to the Town and Parish Councils.

#### Method of Calculation

7. The method of calculation is laid down in the Local Authorities (Calculation of Council Tax Base)(England) Regulations 2012.
8. The starting point is the actual number of properties within each tax band as shown on the Council's Valuation List as at 30 November 2021 (the "Relevant Day") less the actual number of exemptions and discounts at that time. The resulting figures are adjusted to take account of estimated movements within and between bands affecting 2022/23 (i.e. changes from 1 December 2021 to 31 March 2023) to arrive at the number of chargeable properties within each band for the year.
9. The numbers of chargeable properties within each tax band are expressed as band D equivalents. The aggregate of all bands is multiplied by the estimated collection rate to determine the tax base for the area. The collection rate represents the effect of losses on collection due to non-payment. For 2022/23 the estimated rate is adjusted to 99.4%.
10. The calculations referred to in the previous paragraphs are shown in Appendix 1.
11. The 2022/23 tax base so calculated for the whole district is 63,230.6 which represents an increase of 1,006.8 (1.62%) on the tax base for the current year. The effect at parish area level ranges from a decrease of -3.5 to an increase of 151.0 and in percentage terms from -1.35% to +9.01%.
12. The number of property equivalents included in the tax base has risen by 1,070.5 (1.6%), with an increase in exemptions (43.0; 5.2%), increase in 50% discounts (6.0, 7.5%) and increase in 25% discounts (813.0; 4.1%), decrease in council tax support discounts (-71.2, -1.9%), which has meant that the net number of band D equivalent chargeable dwellings has increased by 892.3 (1.6%).

#### Policy Context

13. It is a legal requirement to set a taxbase for each financial year.

#### Financial Implications

14. The financial implications are detailed within the body of the report.

#### Risk Management Implications

15. There is a risk that the projections within the report are not accurate to a significant degree although best endeavours have been used to research, quantify and extrapolate the data upon which the projections are based. This risk can be mitigated by the monitoring of both databases throughout the year, although corrective action can only be undertaken on a year to year basis rather than within the year.

### **Equality and Customer Service Implications**

16. This report has no such implications.

### **Other Material Implications**

17. There are no legal implications as a direct consequence of this report.

### **Sustainability Implications**

18. There are no sustainability implications as a direct consequence of this report.
