Local Authority and Parliamentary Training – 27th March 2014

Alasdair Mackenzie, the Parliament Outreach Officer for London and the South-East of England, will deliver a training session that covers two topics:

- 1) The majority of the session will cover how Parliament conducts scrutiny, focussing on the work of the Select Committee.
- 2) In last 15 minutes of the session Alasdair will talk about the outreach work Parliament does to encourage civic participation, including the work undertaken with young people.

The session will last approximately two hours and all Members and Senior Managers are welcome to attend.

Computer Skills Training

The Members' training needs analysis identified a requirement for Computer Skills training. Due to the diverse needs of Members, training on basic computer skills will be offered to small groups or on a one-to-one basis as requested.

We are working on the issues Members currently have with home printing. Please remember there are MSDC computers available in the Members room from which access to the intranet is available.

For further details on any of the above training events and to arrange a training session on Computer Skills, please contact Emma Balmforth on 01444 477225 or e-mail emma.balmforth@midsussex.gov.uk.
