- Safeguarding and Child Protection
- County Lines
- What is GDPR?
- Getting Started with Social Media.
- Business Continuity Management.
- Annotating and Editing Documents.
- Planning Application Decision Making for Members

# **Information and News**

# Housing Standards In Rented Properties In England - DLUHC Response

Please find attached to this email Mid Sussex District Council's response further to a Department for Levelling Up, Housing and Communities request of an initial response to the Awaab Ishak tragedy and the implications this has on the Council's approach to housing enforcement.

# Levelling Up and Regeneration Bill Update

DLUHC, on 6 December, set out further measures to place local communities at the heart of the planning system. The changes will be made alongside the Levelling Up and Regeneration Bill as it progresses through Parliament.

Housing targets remain but are a starting point with new flexibilities to reflect local circumstances. The Secretary of State for Levelling Up, Housing and Communities, Rt Hon Michael Gove MP, has asked the Competition and Markets Authority to consider undertaking a market study on housebuilding.

Brownfield land will be prioritised for development, and the government will launch a review into how such sites are used.

The government will also consider new financial penalties for companies failing to deliver housing despite having planning approval and give councils powers to refuse further permission across their area.

The Bill already includes power for councils to apply a council tax premium of up to 100% on empty and second homes. The government will also consult on whether planning permission should be required for new short term lets, especially in tourist hotspots, and will establish a registration scheme for these properties.

# **COVID-19 News**

Covid is now endemic, and we are working to live with it. Covid rates in West Sussex and across the UK has steadied after previously falling during November. The West Sussex rate now averages about 52 cases per 100,000.

The best way to avoid serious illness from a Covid infection is to maintain the benefits of vaccination. Everyone aged 5 and over is eligible for a Covid vaccination. Booster vaccinations are available for all those aged 50 years plus or otherwise vulnerable. These booster vaccinations are now being carried out at Clair Hall and across West Sussex. They can be booked online or at some places a walk-in service is available.

Flu vaccinations are also well underway with walk-ins at many pharmacies.

Please see the latest public data from West Sussex here.

# Consultation on the extension of existing Public Spaces Protection Order

MSDC, in partnership with Sussex Police, is consulting on the extension of our existing Public Spaces Protection Order to combat the anti-social use of vehicle activity in Burgess Hill. We are also proposing two new areas where there have been recent incidents of car cruising. The consultation is due to run until 22 December and full details are available at Consultations - Mid Sussex District Council
