Description of premises

Description

The premises will be a new convenience store under the brand of ONE STOP where all types of convenience products will be sold including fresh & frozen food, toiletries, household, newspapers etc. Other services will also be offered to customers such as the ability to pay bills & collect/send packages. Alcohol will form approximately 15% of the goods on sale and as it is not the intended focus of the business there is an expectation that alcohol sales will have a limited impact on the area as local people are expected to on the whole purchase alcohol along with other products.

In terms of addressing the licensing objectives, this premises will be brand new and subject to significant investment which will involve the installation of high spec equipment such as CCTV, electronic refusals register and till prompts. In addition to that, in order to mitigate any risk from the sales of alcohol and its impact on the licensing objectives a number of robust conditions, which reflect the expected policies and procedures to be operated within the business, have been included as part of this application.
