Current Premises Licence

Please describe briefly, the nature of the proposed variation The site is within a large expanse of farm fields as part of Tulleys Farm. Pick your own has been taking place on this site since 1971. Seasonal events have been running since 1998.

The variation is submitted to reflect the increasing popularity of events which are primarily aimed at families.

When the events are running, there are various catering units, hot drinks, alcohol as well as having low key regulated entertainment. The outlets are only open for event periods; they are not open year-round.

The current conditions require extensive risk assessments involving public safety and security staff. These will be updated accordingly to take account of an increase in attendances.

Pre application consultation has taken place with Sussex Police regarding the Risk Assessments and the variation reflects the discussions that have taken place.

In addition, extensive consultation has taken place with Mid Sussex District Council Environmental Health Dept and a revised and updated Noise Management Plan submitted in support of this application reflects these discussions. We believe the existing condition relating to the submission of a Noise Management Plan is sufficient to accommodate the variation.

We believe that the current Premises Licence conditions ensure the successful

promotion of the licensing objectives.
